

USNMT Team Shirt for Nationals

If you are planning to attend ANY (rifle or pistol) of the National Matches, you will need to place your order with Techwear ASAP as there is a lead time to make these shirts.

You must be on the authorized to purchase list prior to contacting Techwear. Contact CDR Nick Owen at nickowen504@gmail.com to be put on the authorized list. Any active or reserve member who has participated at the Inter Service or Nationals matches is authorized to purchase a shirt. If this will be your first year competing at either of these matches, send a copy of your Inter Service or Nationals matches registration (capture a screen print or a pdf) to LCDR Owen. Retirees are not authorized to purchase this shirt.

These team shirts should be treated as a uniform item and worn with khaki bdu style pants and a team ball cap. Your last name is required on the shirt, rank is optional.

Prior to ordering, see the size guide at <https://techwearusa.com/index.php/sizing-guide> as these shirts do not stretch or shrink. The shirts should fit a little use.

Once you have verified you are on the authorized to purchase list and you have referenced the size guide, contact techwear at sales@techwearusa.com or call the office directly at 631-750-6424. It is suggested you call to finalize your order and provide your credit card info for security.
