LISTING OF MANUFACTURERS AND DONATIONS

The hard part about splitting these 'goodies' was deciding who recieved what and in what amounts. We chose to divide it equally between both matches and make it fair that those who did not win a rifle, trophy or were "First Leather" would get something. We also felt it fair that the individuals at the bottom of the list recieved some incentives to keep training. We split as we could as long as we had any thing to split.

STSCS(SS) PATRICK A ADAMS
"STATS" OFFICER

Hello Shooters!

First and foremost, I would like to thank all of you for assisting the match staff in conducting a smooth, orderly match. It was a successful match in that no one was physically hurt, pride though is another story. The important thing is that we got together, we shot and had a good time.

As chief "stats" officer, and semi-assistant match director, we found some snags, but those that did occur were overcome mainly through the help of you, the competitor. For those of you that weren't paying attention to your surroundings (to intent on shooting I guess), the Marine Detachment at Dam Neck put in long, hot hours to rebuild all of the rifle target frames, repair those trollies that they could beg, borrow or fabricate the parts for.

I would personally like to thank those competitors that helped re-count the scores on all the score cards, with specific thanks to LCDR Toepfer who handled nearly all of the computer work for the All Navy match.

My liaison, the Gun Boss from FCTCLANT and his people, deserve a special thanks. Their patience with me trying to keep things moving smoothly was incredible, and I'm sure the Lt. has had a pain in that region before.

To the manufacturers of all the "Consolation Awards" listed on page *iii*, and the competitors who recieved them, a very deep felt thank-you. It is this support for the sport that helps keep the effort of time and practice worth while for those not at the top.

As a parting shot I would ask you to remember that all the hard work of preparing for the East or West Coast championships, and the heartache of the "All Navy" competition is just the beginning. The Interservice and THE Nationals are an experiance in themselves which should be felt by all serious shooters. Those are the people that want more out of life and our sport. Those shooters continue on even at personal cost, instead of just being satisfied with "local" competitions.

I would like to leave you with a couple quotes for thought until next year:

About Confidence;

"WHAT THE MIND CAN conceive AND BELIEVE, IT CAN achieve."
Andrew Carnegie - circa 1910.

On Match Pressure.

"NOTHING GIVES ONE PERSON SO MUCH ADVANTAGE OVER ANOTHER AS TO REMAIN ALWAYS COOL AND UNRUFFLED UNDER ALL CIRCUM-
STANCES". Thomas Jefferson - WRITINGS vol 6.
